To Whom It May Concern,

I am pleased to write this reference letter for Nishan, who has been employed as a Wellbeing Carer at Bupa Aged Care Sutherland for nearly 3 years. During this time, Nishan has consistently demonstrated exceptional dedication, professionalism, and compassion in his role.

Nishan has demonstrated a comprehensive understanding of aged care principles and practices, consistently delivering a high standard of personalised care. His responsibilities have extended beyond daily assistance with residents' physical needs, including mobility support, lifestyle preferences and activity monitoring to encompass emotional and social wellbeing initiatives. He has a natural ability to connect with residents, ensuring their physical, emotional, and social needs are met with kindness and respect. His proactive approach and attention to detail have contributed significantly to the positive environment within our care home. He is also well-versed in maintaining proper documentation and adhering strictly to any changes in the resident's health, leisure and lifestyle.

In addition to his technical skills and knowledge, Nishan is a reliable and trustworthy team member of our care home. He communicates very effectively with colleagues and management, always willing to go the extra mile to support both residents and staff. His positive attitude and strong work ethic make him an invaluable asset to our team.

I am confident that Nishan will continue to excel in his career and recommend him without reservation for any role that requires dedication, empathy, and professionalism in aged care.

Please feel free to contact me if you require any further information.

Kind Regards,
